Sybase and PowerBuilder User Group Switzerland

2007 Meeting 27. November 2007

Here some information about the meeting in November:

- all together 25 people attended the meeting
- 2 non members attended the meeting
- 2 new members attended the meeting (one just wanted a one year membership)
- Dave Fish gave some excellent presentations
- at the AGM it was decided to apply for a one year ISUG trial membership and evaluate the benefits at the next AGM
- we now have a complete steering committee again with Gzim Ramizi (Generali) and Mark Kunzmann (IMS Health) joining
